

CREATE NEW OPPORTUNITIES

SET YOUR STANDARD

JURONG COUNTRY CLUB is a premier 18-hole golf and country club offering both day and night golf and a vibrant club lifestyle. Located in the heart of Jurong's upcoming LAKE DISTRICT and surrounded by Singapore's western commercial and recreational hub, we pride ourselves on innovativeness and quality leadership. We set our own standards and challenge our staff to create opportunities to spread their wings, stretch their limits and explore new horizons.

If you have what it takes to join our dynamic workforce, we want you as our:

Executive – Golf Course

Your challenge is to:

- Plan, coordinate, implement and supervise golf course maintenance and landscaping of the golf course and clubhouse areas.
- Supervise the upkeep of golf course including greens, fairways, roughs, water hazards, landscaping, planting of trees/shrubs and pruning.
- Ensure stock controls are in compliance with existing control procedures, monitor usage of fertilizers, chemicals etc and report exceptions.
- Prepare reports and tender documents.

Your profile should include:

- Diploma in Horticultural Science / Turf Management with at least 2 years' of relevant working experience.
- Experience in golf course maintenance will be an added advantage.
- Knowledge of the characteristics and proper use of various fertilizers, soil conditioners, pest control methods and materials.
- Candidates with current state certification or licensing as a pesticide applicator are preferred.
- Singaporeans & SPRs are preferred.
- Must be willing to work on weekends.
- Able to commence work within a short notice.

Interested applicants may submit your resumes outlining your qualifications, experience, current and expected salaries, together with a recent photograph to:
