

CREATE NEW OPPORTUNITIES

SET YOUR STANDARD

JURONG COUNTRY CLUB is a premier 18-hole golf and country club offering both day and night golf and a vibrant club lifestyle. Located in the heart of Jurong's upcoming LAKE DISTRICT and surrounded by Singapore's western commercial and recreational hub, we pride ourselves on innovativeness and quality leadership. We set our own standards and challenge our staff to create opportunities to spread their wings, stretch their limits and explore new horizons.

If you have what it takes to join our dynamic workforce, we want you as our:

Golf Operations Manager

Your challenge is to manage the operations of the Golf department and the driving range to ensure smooth professional service. Your main duties include but are not limited to driving sales of golf memberships and golf related products/services, mapping and executing future developmental plans for the golf operations and reviewing operational processes to optimize cost of operations.

Your profile should include:

- Bachelor's degree in Golf Management/Administration or its equivalent with major course work in golf administration or operations and/or business administration.
- At least 10 years of experience in all aspects of golf operations, with private club experience preferred.
- Ability to play golf with a handicap of 18 and below.

Interested applicants may submit your resumes outlining your qualifications, experience, current and expected salaries, together with a recent photograph to:
