

The Junior Super Stars program is designed to provide quality instruction to junior golfers of all different skill levels. The program is structured in 5 levels where by students will progress from absolute beginners to advanced golfers with PCs and Handicaps.

JUNIOR AND SCHOOL PROGRAMS

The following programs are endorsed under the Sports Education Programme (SEP) 2010

JUNIOR SUPER STARS GOLF SERIES

- © *The Rising Stars program is designed to cater to students of all ages and abilities. Students in the beginner program will be taught the basic skills needed to start playing on the course and many will even progress to achieving a golf PC. The intermediate program is designed to take players to the golf PC and beyond...improving their skills and getting them out on the actual greens. The advanced program is specifically suited to players very keen to achieve and improve their golf handicap.*

FIRST SWING

- ◎ *The First Swing program is a great way to give a taste of golf to your students. The ½ day program will give them basic instruction in putting/chipping/full swing.*

FIRST SWING

BASIC INTRODUCTION TO GOLF

- ◎ *Our Basic Introduction to Golf program is a scaled down version of the Rising Stars program...a great way to get a solid base in golf without the commitment of a ½ year program.*

BASIC INTRODUCTION TO GOLF

BEGINNER RISING STARS

- ③ *The purpose of this program is to initially provide the students an introductory golf program designed to introduce many students to the wonderful game of golf.*
- ③ *Students will learn basic golf skills including rules/etiquette, putting, chipping, pitching and full swing. The lessons will provide a balance of practical instruction and game play to make golf fun and easy to learn.*

BEGINNER RISING STARS

INTERMEDIATE RISING STARS

- ◎ *The purpose of this program is to enhance the skills of children who have already done basic beginner golf. The program is designed to give the students the necessary skills and rule knowledge for them to be awarded a Proficiency Certificate.*
- ◎ *Sessions are longer in order to intensify the instructional program. Students will also be taken on the Executive Golf Course for experience and training on the greens.*

INTERMEDIATE RISING STARS

ADVANCE RISING STARS

- ◎ *The purpose of this program is to offer a more intensive golf program suited to children who hold a PC who are looking to obtain the skills needed to obtain a Handicap. These players require more individual attention and will benefit from a smaller class of 4-5 students learning more advanced skills.*
- ◎ *Sessions are longer in order to intensify the instructional program. Students will also be taken on the Executive Golf Course for experience and training on the greens.*

ADVANCE RISING STARS

SCHOOL GOLF LEAGUE

- ⦿ *There is a big difference between learning the golf swing and playing golf. This league is designed to promote activity on the actual playing field; the golf course.*
- ⦿ *Students will form 4-person teams and compete against one another in a variety of different golf game formats, learning the rules and etiquette along the way. They will also be relied on to develop honesty, integrity and team camaraderie.*
