“I also played last night on the `New 9` for the first time. The transformation and new layout is magnificent! Congratulations and thank you for all your hard work to make this transformation happen. Please also pass on my thanks and congratulations to your upgrade team. Once again I thank you for giving us a beautiful and thoroughly enjoyable nine holes. I cannot wait to play again!!!”

“It was a great experience in one of the most beautiful golf courses I have ever played... the tee boxes, the fairways, the greens and the water hazards. Outstanding in every way. I am looking forward to play again this coming Saturday.”
